CATCHING UP ON SEX

office and gotta go soon, but before I forget it, I'm gonna do it. Last August I got married for the second time. For the honeymoon, we hopped on a plane to South Beach with the excitement of a week of nothing but beach and sex before starting the rest of our lives together. We were too exhausted to fuck that first night but I had great expectations for the near future. The next morning I get up early with this raging hard on, but Corryn, my gorgeous new wife, was already up. She was wearing a baggy sweat suit and her hair pulled tight on top of her head. Maybe she thought that she still looked sexy even in sweats and with no makeup on.

She was out on the balcony exercising and suddenly I heard her scream! She came over to the bed with a puppy-dog look on her face; big sad eyes and hands on her hips. I asked if she was okay and she said she needed to lay down because the pain was increasing. That's when my cock's brain took over and I told her that she looked great in sweats and she was turning me on. I sat up and grabbed her by the shoulders.

At first she pushed me away gently but firmly. "You must be really hard up if you think I'm sexy in my sweats," she said. I was just a little breathless and pulled the covers down to show her my erection. I slipped my hand under her top trying to squeeze her nipple. "Baby, my back hurts, I can't do this now!" she complained, grabbing my hand and pulling it from her breast. I whimpered that this was our honeymoon and reminded her of all the fun, sexy things we said we were going to do. She said we would, right

after her back got better, but now she had to stay down.

So that's the way it was for three days and I was going out of my mind. She spent every day in bed or on the balcony staring at the ocean. When I tried to get close to her, she always complained about her back and I went away frustrated. Okay, so the other morning she gave me a quick hand job because I whined and complained so much. After a few strokes, I exploded because I was so pent up, and that's why it was a quickie.

Now it's the fourth morning of our honeymoon, only two days left, and I'm desperate. So rather than mope, I ordered a couple bottles of champagne and we sat on the balcony drinking. After polishing off one bottle, she said she felt better and got up pulling me to the bedroom. When we got there, she took off her clothes and got into bed. I went to the bathroom to relieve myself and when I came out she was snoring – naked face down on the bed. I was incredulous and horny as hell.

So, I took some lotion from the bed stand and spread some on her butt cheeks working it into her crack and slipped a finger inside her butt hole. Strangely she spread her legs, seemingly to give me better access. As my finger slid in and out, her hips moved encouraging me to go deeper.

40+: Hi Brandi. It seems like we were here just a few weeks ago for

your last appearance. What's new since then.

Brandi: believe it or not, it's been almost a year. See, I have it right here on my cell phone. Now that we're here, what do you want to know?

40+: Tell me about your last movie or scenes.

I think she moaned in frustration when I pulled my finger out. I got up over her on the bed and put my cock in her butt and I could feel her hips rise up to meet it. I started slowly as not to wake her but my hormones kicked in and I started fucking her harder. Soft moaning sounds began to come out her mouth and her hips seemed to stay in my rhythm.

Then after one deep thrust, she seemed to awaken, looked back at me and gave me a sleepy smile. "Hi honey, happy honeymoon." she cooed. "Don't stop!" She worked herself onto her knees, offering her butt to my hot desire. I worked it some more as she reached between her legs and diddled herself into a screaming orgasm. Well as for me, I exploded my frustration deep into her butt and collapsed on top of her and quickly fell asleep. For the next two days we fucked every minute trying to catch up for the lost time. So in the end, (no pun intended) it turned out to be a great honeymoon after all.

— Scott, Richmond

KEN RUSSELL'S MY WING MAN!

My name is Frank and I just got another erection. Oh yeah, that's just about all I think about. Women and sex. Being a divorced father, it's hard to survive in the dating world. For the most part, I keep to myself. I have all the time in the world and none of the above. I tried bars, clubs, online dating sites, the office pussy pool, and more. No luck anywhere for me and I can't figure out why.,

After almost a year I had to do something. Then kismet struck. I was in the supermarket, in the fruit and veggie section selecting some figs. Standing nearby was a pretty lady fingering organic tomatoes. She was looking kinda frustrated by the selection. Then right out of the blue, my mouth says, "Sometimes the good ones just

aren't there." She looked over at me and gave me a quizzical smile. I quickly apologized for the double entendre and she laughed.

I looked away and a moment later she said, "I've always wanted to try figs, but didn't have the courage. Aren't they kinda weird to eat?" I looked around to be sure she was talking to me, and then said, "Not if you eat them the right way." Again I blushed because of a second double. She laughed out loud that time.

I tried to recover, quickly by saying something even more arcane. "The best way to describe it that I know was in a scene in Ken Russell's 1969 film *Women in Love* where Alan Bates describes eating a fig like eating a..." I stopped myself before I said it. "A woman." she said. Once again I blushed and turned shy.

"Oh, that's okay." she said. "I'm, a huge Ken Russell fan. I'm surprised I didn't think of that before I asked. Hi, I'm Simone." she said introducing herself. "Nice to meet you. I'm Nick." Spotting an in-store coffee shop over her shoulder, again my mouth took over. "Could I interest you in a cup of coffee and we could discuss figs and his films. I too am a huge fan."

"That'd be nice." she said. Cut to two hours later, and not to bore you with film trivia. Simone is now at my flat and sitting on my sofa as I bring in a couple glasses of wine. We share an awkward kiss and my mouth starts to talk again.

Brandi: Sure, but I wish there was something to tell. I was in Brazil for a few weeks, on vacation with some girlfriends. One was from Rio, so we all went down.

40+: Besides the sightseeing stuff, did you, you know, have fun?

Brandi: Oh yeah, lots and lots. I got to see Copacana and Ipanema beaches and went to the top of Sugarloaf Mountain. Lots of fun.

40+: Did you meet a hot Brazilian?

Brandi: No, but I got one. It had been a while. They really know how to wax you down there. I know, double entendre!

"Shut up," she shushes me and starts kissing me more intently this time using her tongue, swirling it around mine and sucking on my tongue gently and lovingly. I became more bold and reached under her blouse and began massaging her left breast.

Not pushing me away, I became more confident and gently pinched her nipple between my index and thumb as she purred to the touch. I took off her top and grabbed her exposed breasts. She took off my shirt and I unzipped her pants and pulled them off. I kissed from her neck to her chest to her stomach to her lady mound of perfectly coiffed pubic hair.

I gently licked her pussy through her thong, then lifted her legs and pulled it off revealing her lady treasure. I lock her thighs around my head as I slowly take my first lick on her bare pussy. I made a few licks on her labia, then spread them apart with my fingers and licked her pussy. She held tight onto my head and pulled my hair as I tongue-fucked her to a mini- orgasm. She leaked a thick and tangy liquid from her pussy and I lapped it all up with

my tongue then sucked her pussy clean. After that, her body stopped shaking and settled down from her orgasm.

She kissed me once more, then held my hips as she slowly licked her way down to my member.

She stared at it somewhat inquisitively then slowly grabbed it causing it to throb harder. She started pumping my shaft as before, although this time she had her soft luscious lips around my cock head and she sucked the skin over the head because she was sucking so hard.

She would let her lips slide down it and then applied suction as she moved her lips upwards. I was amazed at the feeling I was getting. It was heaven, this being my first blow job in months.

She picked up speed, then I closed my eyes hard and tensed my whole body up until I exploded my first rope of thick, hot cum into her mouth. I unloaded what seemed like a pint of splodge into her mouth and she swallows it all. I got up and went to the kitchen and brought back some figs. I took one, held it out, smiled, looked at her and said. "This is how you eat one."

— Nicholas, hanging out at the supermarket

40+: Okay, I get it, But you're avoiding telling me the good stuff.

Brandi: Okay, then I'll be good. On the last weekend night we went to a beach party On Copa. There were about twenty or so, all girls, which I thought was a little bit weird.

40+: OK. Go on.

Brandi: Long story short, the girls were gorgeous, but they were not girls! I watched all night with my mouth open!

It doesn't take much for me to get turned on.
When I get horny, my brain goes quiet. My skin flushes red. Then my brain takes over
and I start looking for cock. It's the one thing
that overheats me... and then cools me down.

all hail Hailey

I was scared and confused, what the hell was she doing? Hailey was teasing me and I didn't know what to do.

"Take your hands away and put them at your side," she said.

I was about to begin next week at my new job position. I had a whopper month for the firm and received a nice five thousand dollar bonus. Now I had a couple days off and wanted to spend it asap. I didn't take my wife long to spend it, and at home we had a new patio already being planned and the work schedule in.

As the builders moved in we managed to work around them, that was until the beginning of second week when the back porch was removed to allow for grading the ground and prepping for the posts. The noise from the equipment was constant, the grader, the pounder, large saws. Geesh! We had to get away, out of the house to keep our sanity. Fortunately, my neighbor a few house down, away from the noise, agreed to let us come in and use his shower, or just chill on the sofa until the workers went home.

It was late Tuesday afternoon and I was finally off work that day. I drove by my house and without even lowering my car's windows, I could hear the pounding continuing, so I dropped by the neighbor's house. As I rang the doorbell there was no answer and I swore quietly under my breath thinking everyone was out, but my anger turned quickly to relief as my neighbor's wife opened the door.

Hailey offered me a cold beer that I declined until after I had taken a shower. I dashed up the stairs and through my bag on her bed as I passed

her room heading for the bathroom. The feeling of the shower was wonderful after the long day and I rapidly set out to wash myself. When I turned the shower off I realized that I hadn't taken the towel out of my bag and even though there were the neighbor's hang there, I couldn't bring myself to use them. With the water dripping off me, I cautiously opened the bathroom door, and as the coast was clear, and I managed to make it to the bedroom.

As I stood there naked and wet struggling with the zipper on my bag, I never heard my Hailey coming up the stairs.

"Nice view." she said, causing me to jump.

I turned around covering my private parts with my hand as this was quite embarrassing. My face turned a lovely shade of pink.

"You haven't got anything I haven't seen before," she replied with a laugh.

"Yes, but not mine." I said. Would you mind letting me finish. Hailey stood there, looking me over as if I was used car she was inspecting.

She was about 37 years old, and to be honest the years had been very good to her. I had always eyed her at block parties and we had been over to their house many times over the three years or so that we've been neighbors.

"You like that, don't you Ethan. Would you like me to jack you off or would you prefer me to suck you off?" she asked.

"Excuse me Ethan, but I haven't seen one of them for a few months." she said looking down at my protected bits. "Ryan has been distant and working late as always. He left yesterday for a week in Dallas."

I grabbed my discarded shirt to cover myself even more but she moved towards me and held her hand out, "Give me your hand, Ethan." she seemed to demand.

I was scared and confused, what the hell was she doing? Hailey was teasing me and I didn't know what to do. "Take your hands away and put them at your side," she said and I ignored.

grip on my balls. I was immobilized and laying there naked by Hailey. Her other hand began caressing my cock, it felt nice but also it felt so wrong and the more she touched it harder it was getting, I couldn't control it.

"You like that, don't you Ethan. Would you like me to jack you off or would you prefer me to suck you off?" she asked.

"Neither Hailey, just let me go please. This is wrong." I pleaded, to no avail.

Her tongue made contact with the tip of my cock, then her lips engulfed it and began sucking and licking my now very stiff cock.

She managed to get one arm out from her blouse and then changed hands until she was able to remove it completely without once letting go of my balls. Beneath it she was naked, and her boobs bobbed out of their restraint.

Still holding my family jewels quite tight, she said, "Now Ethan, I'm going to slowly move my pussy down on you and

you're going to let me fuck you, do you understand?" Of course I did, but what can you say to a determined woman who's got your sperm sac in a vise grip?

"Hailey, please don't do this, this is wrong, just plain wrong!" but my protests were disingenuous and weak by now. I couldn't stop her doing whatever she wanted and she had no intention of stopping as she moved her pussy above my erect cock and then lowered it down so that my cock sunk into her wet pussy.

I experienced a sensation of extreme pleasure mixed with extreme guilt that she was fucking me. Each time she thrust back down onto my cock, my eyes were transfixed watching the

She took a step closer and I took a step back, my legs came in contact with the bed and I lost my balance and fell backwards. To catch myself, I dropped my hands down to the mattress, leaving me and my privates totally exposed.

Hailey saw the chance and pounced on me pinning me to the bed. I could've easily pushed her off but I was afraid of hurting her. With my arms again pinned to my side, Hailey moved her face close to mine. "Don't you dare move or I'll squeeze it so hard your eyeballs will pop out," she said as she moved one of her hands to grip my balls tight.

Then she released my arm but tightened her

undulations of her beautiful boobs. Slowly but surely the rhythm of her movements was bringing me closer and closer to release. I wanted to but not like this, not with Hailey.

"I bet you fantasized about fucking me when we were at those block parties, huh?" she teased as she continued bouncing up and down on my cock. She leaned forward so that her boobs touched my chest. They felt warm against my skin, my mind was in total confusion while my cock independently responded to her body.

"Come on, Ethan, tell me how much you like me fucking you. Tell me to make you cum... let me feel you explode inside me. Let me feel your cum inside in my pussy," she said as if she was a possessed person. She bit down on my nipple causing me to let out a yelp, Tell me how much you're enjoying it," she said once more.

"I like it, I like you fucking me, fuck me dry, I love you fucking me. I love your pussy clamped around my cock." My own words were bringing me closer to orgasm, "I'm going to cum, I'm cumming, I'm going to fill your pussy." The final words sent me over the edge, as my orgasm started in my balls, along my cock and ended up exploding in my brain like jolts of electricity. As my juice spread into her pussy, she also came, each spasm of her body causing her pussy to clamp tight around my fading cock.

She collapsed on my body slumping forward and brought her lips to mine and began kissing me passionately, our tongues intertwined like lovers, instead of what we were, neighbors. The kissing and the pressure of her pussy against my cock had begun to quickly revive me.

"I think you should fuck me now! Get yourself between my legs and fuck me," she said as if it was the most natural thing in the world.

I don't know why but I was eager to satisfy her needs so I rolled over and sucked her nipples one after the other. I kissed down her body until I reached her pussy. I couldn't believe that I was staring straight into her bald love nest. My tongue painted patterns around her pussy lips before delving further in and finding her clito-

ris. She writhed beneath me, her body bucking instantly as I licked and sucked her.

"What are you waiting for. That feels nice licking me but I want your cock inside me NOW!, I need your cock inside me NOW! I want to be fucked NOW!" she said in all caps!

I moved my body up and ran my cock along her slit. She thrust upwards and my cock slid easily into her soaked pussy. I was riding her and I didn't care. Each thrust I made into her pussy caused louder and louder groans to escape her mouth.

Suddenly, she started screaming, "I'm cumming... fuck me harder... make me cum... oh my God!" she bellowed as her groans blasted through her body, I came shortly after and as my seed splattered into her pussy... and she came once more.

I'm now laying on top of Hailey, our breathing slowly coming back to normal, our sweaty bodies seemingly stuck together. After a few minutes, a loud unsucking noise permeated the room as I finally got off her.

"Well Ethan, that was very nice, I want you to know that anytime you want a fuck, just come and see me. Fuck me anytime you want."

I left the house, my feelings about what had happened were confused, I had just had sex with my neighbor and I didn't feel guilty at all, if anything I was eager to do it again.

... my cock ended up exploding and in my brain like jolts of electricity. As my juice spread into her pussy, she also came...

It's my new man's birthday and I've invited him over for a bite - of me. I'm warming up the kitchen with my ass now because it will be there later. I'm sure Joe is going to like eating in and then having me for dessert.

A photograph of a blonde woman with long hair, wearing a purple bikini top, standing in a kitchen. She is looking towards the camera with a slightly open mouth. A man's hand is visible on her back, and another person's leg is partially visible on the right side of the frame. In the background, there are red kitchen cabinets and a countertop with some fruit and a white object.

When he came over, I was nervous because we've only been seeing each other for a few months. I divorced five years ago when I was 37 and I haven't found too many men that I've wanted to date, let alone sleep with. But Joe is kind, considerate, and has a nice, big thick cock. I hear him at the door, now. Cum on in Joe. Dinner is me.

We've been lovers for the last six months, but have never been in a video together. When we got this call to shoot together, we jumped at the chance. For us, it was just another sexy afternoon doing what we like to do. It took a few minutes for us to get used to the camera, but after we did, it was on! Hope you'll like what goes down.

Before the cameras started rolling, we began to lick each other's pussies. There were several men around the room, the photographer, his assistant, the house owner, and more, and that proved to be a bigger turn on for us. We had never eaten out a woman in front of men before. Now we get to show them what we can do. Maybe one or two will join us later, but only after we women finish up on each other. Bring that pussy here.
